

KLO MUSIC SPRING CONCERT

Welcome to our Spring concert! This is the culmination of a year's worth of learning, practice and experiences. For some of us, we have had extra performance opportunities through the BC Interior Jazz Festival and in the case of the grade 9s, we attended the Con Brio Festival at the beautiful village at Sun Peaks. While in the Autumn, the choir participated in the district wide choral retreat.

Ensemble music is the ultimate team activity. We rely, not only on the participation of our members in practice, but in the work we do to develop our individual skills. No one gets to slack off as we all must work at all times to "keep the ball in the air."

So, thank you Friends and Family for the support you give students to help them to grow, learn and make music together!
